## Correct Dress! FOR GENTLEMEN.

We cannot advertise in a general way without being classed with the cheap advertisers who cater to the Masses; and yet we know it is a fact that many gentlemen who desire finely made garments do not know where to go, and therefore hesitate to make a change. We started in 1880, and have attempted to make the finest garments possible, using the best English cloths, insisting upon exclusive patterns, and giving careful attention to every detail of cut and finish. Our increasing business, while gratifying leads us to believe there are many more gentlemen who would be pleased if we could reach them. We invite all who appreciate the highest class of Tailoring and are willing to pay a trifle more than is charged for ordinary work.

# Conscientious Service.

We always aim to render honest, thorough, conscientious and prompt service. We try to see how faithfully we can perform your work. All our

# UPHOLSTERY WORK, CABINET MAKING and INTERIOR DECORATION

has that characteristic. Nothing is slighted. Everything is done as carefully as it can be done. Two conditions make this possible. First, the right motive; and second, years of the most instructive experience. For our knowledge is most emphatically born of past achievement.

And now as to the kind of service we perform:

We make new Furniture from Special Designs, attend to Upholstery, Repairing and Renovating of Old Furniture, make over Mattresses and Bedding, Cleanse Lace Curtains and Blankets, take up, clean and relay Carpets. We give special attention to the care and cleansing of Turkish Rugs, and pack all kinds of Furniture, China and Bric-a-Brac for storage or transportation.

Our clientage represents the best families in Boston and vicinity. They know good service and appreciate it. For we are requisioned yearly. But we respectfully solicit additional patronage. We desire yours. The inducements we offer are conscientious service and reasonable charges. May we have it on that basis? A postal or telephone call brings us to you

# CONSCIENTIOUS SERVICE.

We always aim to render honest, thorough, conscientious and prompt service. We try to see how faithfully we can perform your work. All our

## UPHOLSTERY WORK, CABINET MAKING and INTERIOR DECORATION

has that characteristic. Nothing is slighted. Everything is done as carefully as it can be done. Two conditions make this possible. First, the right motive: and second, years of the most instructive experience. For our knowledge is most emphatically born of past achievement.

And now as to the kind of service we perform:

We make new Furniture from Special Designs, attend to Upholstery, Repairing and Renovating of Old Furniture, make over Mattresses and Bedding, Cleanse Lace Curtains and Blankets, take up, clean and relay Carpets. We give special attention to the care and cleansing of Turkish Rugs, and pack all kinds of Furniture, China and Bric-a-Brac for storage or transportation.

Our clientage represents the best families in Boston and vicinity. They know good service and appreciate it. For we are requisioned yearly. But we respectfully solicit additional patronage. We desire yours. The inducements we offer are conscientious service and reasonable charges. May we have it on that basis? A postal or telephone call brings us to you

# Your Rugs and Carpets

Are Valuable Property and Require Scientific and Expert Treatment.

Considering that Antique Oriental Rugs are getting scarcer every year, the preservation of them becomes a necessity, both from an artistic and an economic point of view. This can be accomplished by observing the following conditions:

FIRST .- Keep them clean.

It is evident that dirt, dust, and grease will rot the texture and destroy, in time, the most beautiful rug. Ordinary methods, such as shaking, beating on the line, or cleaning by machinery, injure the rug by shedding the nap and loosening the entire fabric. All work at our factory is performed by hand only.

SECOND.—Keep them straight and flat.

When a rug is wrinkled or puckered it is of the utmost importance to have it straightened at once, to prevent wear from friction.

THIRD.—Have them repaired properly

Patching or darning, as we have often seen it done, not only does not improve, but actually disfigures the rug and depreciates its value. While on the other hand, an antique rug when skilfully **rewoven** is increased in value. This is true especially of such rugs as cannot be duplicated.

FOURTH.-Have them packed properly.

Improper packing often causes the breaking of the warp. Our Oriental process of cleansing together with our special method of packing is a safeguard against moths.

FIFTH.—Attend to them before it is too late.

After seeing so many nice and valuable rugs shattered beyond repair, we urge upon our patrons the necessity of attending to their rugs in time to save them from ruin. A stitch in time saves nine.

Six years ago we established our works—the first concern of the kind in New England—and ever since have been exclusively engaged in

Renovating Oriental Rugs, Carpets, Hangings, Shawls, Embroideries, Etc.

Our Work is Unexcelled and our Prices Moderate

#### U. S. WEATHER BUREAU.

#### Explanation of Cautionary and Storm Signals.

A RED FLAG with a WHITE CENTRE, displayed at stations on the Great Lakes, indicates that the winds expected will not be so severe but well-founded sea-worthy vessels can meet them without danger.

A RED FLAG with a BLACK CENTRE, either on the Lakes or seaboard, indicates that the storm is expected to be severe.

The pennants displayed with the flags indicate the direction of the wind; red, easterly winds (from northeast to south); white, westerly (from southwest to north). The pennant above the flag indicates that the wind is expected to blow from northerly quadrants; below, from southerly quadrants.

By night a red light will indicate easterly winds and a white light above a red light will indicate westerly winds.

The system of weather, temperature and rain signals displayed throughout the country is distinct from the cautionary and storm signals, the latter being principally for the information of the maritime interests and are displayed at the principal ports of the Great Lakes and on the Atlantic, Pacific and Gulf coasts.

Boston office, rooms 149 to 154, P. O. Building, open to public from 9 A. M. to 4 P. M.; visitors cordially invited. Telephone No. 491 Boston; service 9 A. M. to 5 P. M. and 8 to 10 P. M.

J. W. Smith, Local Forecast Official In charge Boston Station.

#### HURRICANE WARNINGS.

For the purpose of giving warning of the approach of tropical hurricanes (and also those extremely severe and dangerous storms which sometimes pass across the Lake region and North Atlantic coasts), the Weather Bureau has adopted a special signal called the hurricane signal, consisting of two red flags with black centres displayed one above the other. (No distinctive night signal will be used). This signal will be displayed at all Weather Bureau offices and wind signal display stations on the Atlantic and Gulf coasts and the Great Lakes and also at numerous other points at sea and lake ports and along the coasts mentioned.

WILLIS L. MOORE,

Chief of Weather Bureau.

## Card Etiquette.

The significance of a card is always considered by well-bred men and women and its fitness to the occasion is an expression of its owner's individuality.

A written name should never be used, unless the bearer's formal cards are beyond reach.

Ladies' visiting cards should be nearly square, fine in texture, flexible, and of a soft white. Changes in form of course occur, but these are the characteristics for those who respect good form.

It is imperative that Mrs. or Miss should be placed before the name upon the engraved card.

It is proper to use the husband's complete name. Initials are seldom seen.

During a young girl's first season in society her name is engraved upon her mother's card. If she is the oldest unmarried daughter, she is appended as Miss Smith—otherwise her full name is given with the prefix of Miss.

When two daughters enter society together, it is proper for them to be mentioned upon their mother's card together, thus,

Mrs. James Smith. The Misses Smith.

Afternoon tea cards are sent a week or ten days in advance of the date upon them.

To send a card without calling signifies inability to call in person.

Acceptances or regrets should be sent as soon as possible after receiving invitations.

"Party Calls" should be made within one week after date of the party.

Invitations in your own city can be sent either by mail or messenger, as preferred.

The custom is for a lady about to be married, to enclose her card in an unsealed envelope, which the servant should deliver, the lady not leaving the carriage.

The visiting cards of gentlemen are shorter and slightly narrower than those at present used by ladies. They are engraved in plain script, no flourishes of any kind. "Mr." should be prefixed to the name.

When an entertainment is given by a gentleman, each guest should send a card within a week, or call,

Any lady wishing to inform her friends of the presence of a lady visiting her family, should enclose her visitor's card with her own, in the same envelope.

An invitation to dine should be answered on the day received.

It is always courteous to acknowledge the receipt of an At Home card.

A visiting card should always be left when attending an "At Home."

An invitation requesting your presence, requires an answer.

#### CARD ETIQUETTE FOR CHURCH WEDDINGS.

When attendance to a church wedding is impossible, cards must be sent in an envelope directed to those from whom the invitation comes.

If present at the church, it is polite to send a card or cards to those who invite.

#### CARD ETIQUETTE IN WASHINGTON.

Questions are asked concerning the requirements that the official element demands in Washington.

The President has absolute precedence. He receives visits—returns none. He is addressed as Mr. President.

His receptions are open to all.

Upon entrance you give your name to an usher, and are announced. You are then introduced to the President and members of the Presidential family

It is proper to leave your card before your departure from the "White House."

Any invitation from the President is considered as a command.

To whom the second place in social precedence belongs, is still unsettled,

The position is claimed for both the Chief Justice, and the Vice-President.

There is a question as to who should pay the first visit—the Cabinet officer or the Senator.

Many yield this point to the Senator. The families of Senators are in Washington for a short time, while the residence of the Cabinet is fixed.

If the families of Senators do not send their cards first their presence in the city may be unknown, and complications arise.

In Washington the influence of official life is marked, and felt through all circles.

#### CARDS FOR BALLS.

Note sheets are used for private balls, and the engraved invitation is in the same form as for any evening party.

After dinner cards, cards after any hospitality, and cards of condolence, if possible, should be left in person.

Cards of ceremony must be left within a week.

If a lady is "at home" on a certain day, cards must be left on that day and no other.

Exceptional occasions, of course, require exceptional cards; for such there can be no fixed rules.

#### INFANTS' CARDS.

It is a pleasing custom to send a small card announcing the birth of a child.

The full name is on the card, also the date of its birth in the lower left hand corner.

It is enclosed with its parents' card, to which it is daintily ribboned.

A visit of acknowledgement is usual. If not possible, a card is sent, with "Congratulations" written upon the upper left hand corner.

# COLONIAL FURNITURE.

When you can have your choice from hundreds of new pieces of Colonial Furniture—each offered at the cost of modern construction,—why pay an absurd price for some dingy old piece which is rickety, stained, dirty and inconvenient?

Our Colonial Furniture is all made from historic pieces in the hands of collectors and connoisseurs. It is absolutely accurate even to the mountings and trimmings, which are made to order for us. The wood is skillfully stained to age it a hundred years, and it has all the merits of a genuine antique, without any of its objectionable features.

Such furniture is in perfect order, The drawers run easily and are dust-proof. The locks work smoothly. The castors have ball bearings. The wood is not cracked nor warped. Everything is good for half a century of service.

And this class of Colonial reproductions is offered by us for every room in the house. We have a great stock It is all offered at Canal Street Prices which save you from \$5 to \$50 on each piece as compared with Antiques in general.

Paine Furniture Co., Rugs, Draperies and Furniture, 48 CANAL ST., BOSTON,

## FINE DRAPERIES.

The foundation of all our efforts in the selection and making of Draperies is an endeavor to carry out the plan of the

architects in the building of the house.

To do this effectively we carry an immense assortment of the very latest and choicest goods, including many Novelties secured to us exclusively and scores of patterns worked to our

private order.

We import special and exclusive designs of real Arab Curtains, real Renaissance Curtains and Cluny Curtains. We carry probably the largest line of French Laces in New England; also a full stock of Muslins, Irish Point and Bobbinet Curtains.

To assort with our French Laces we have gotten out a beautiful line of French Damasks for Draperies, in Colonial patterns and Louis XVI patterns.

### AS TO RUGS.

We carry over 300 Oriental Carpets in stock. They are selected with reference to color and design for fine library and drawing rooms. Also hundreds of small Rugs.

## LIGHT ON A LIGHT!

A French proverb says that "every mistake in life can be traced to fear." Great talents have been lost for want of a little courage. Great opportunities have failed for lack of decision.

-

You will never know how an Estabrook & Eaton "Marguerite" Cigar tastes by sitting still and thinking about it. You must smoke one! We talk to you about aroma, but only the cigar itself can tell you what that aroma really is.

Decide today whether you will try a Marguerite. If "yes," order them now; if "no," think no more about it.

THIRD ALARM to be given by striking three blows, followed by box number.

FOURTH ALARM to be given by striking four blows, followed by box number.

FIFTH ALARM to be given by striking five blows, followed by box number.

GENERAL ALARM to be given by striking six blows, followed by box number.

First alarms from boxes *North* of Essex, Boylston and Arlington streets will be struck on all the box-gong circuits and on the bell and gong circuits in city proper, Charlestown and East Boston only, and from boxes *South* of the same on all the box-gong circuits and bell and gong circuits in city proper, South Boston, Dorchester, Roxbury, West Roxbury and Brighton.

Second, third, fourth, fifth and general alarms will be struck on all the circuits.

Signal for no school, 1-1-1, struck on all the bell and gong circuits.

BROWN S. FLANDERS. HENRY S. RUSSELL.

Superintendent.

Fire Commissioner.

September 4. 1900.

## DIRECTIONS.

Go to the nearest box to the fire.

A sign over each box gives location of keys.

Open the box-pull the hook all the way down once and let go.

Wait one full minute for the sound of the bells.

Listen for the working of the machinery in box. If you do not hear it, pull again.

If then you hear no sound, go to the next nearest box. Repeat the same there; but do not touch any other box if the nearest one gives the alarm. If it be a keyless door, turn handle to right and open door when open, pull hook as in other boxes.

After giving the alarm remain a while, if possible, by the box, so as to

direct the firemen to the fire.

SECOND ALARMS.—No person will give alarms for the same fire (after the first alarm has been given), without an order from the chief, or the officer in command, and the person so ordered will be sure to go to the same box from which the first alarm was given, and report the same to the Chief. If, however, a fire breaks out while another is burning, in a different section of the city, a second alarm can be given by a Police Officer without waiting for an order from a Department Official.

# Cautions to Persons Holding Signal Keys.

Never open the box or touch the hook except in case of fire.
 Never give an alarm for a fire seen at a distance.

3. Be reasonably sure there is a fire before giving an alarm.

Be sure your box is locked before leaving it.
 Never let the key go out of your possession, except to some responsible person to give an alarm of fire, and be sure the key is returned.
 If you remove from your house or place of business, return the key to

the Fire Commissioner's Office without delay.

Sub-Stations marked with an asterisk (\*) are International Money Order

Domestic Mail Matter intended for delivery through the Stations, should bear the name of the Station, with the name of the State (Mass.) added.

Foreign Mail Matter intended for delivery through the Stations should bear the name of the Stations and the words "Boston, Mass,"

Letters can be registered at any of the above Stations.

Avoid addressing letters "Boston Highlands," "Highlands," "B. H. District," "City." or Old or New Wards, Boston; but as above.

Never send money or any other article of value through the mail, except either by means of a money order or in a registered letter. All classes of mail matter can be registered.

It is desirable that letters be addressed to street and number when known. and by providing letter boxes at places of business and private residences, much delay in the delivery of mail matter may be saved.

To insure a letter being forwarded in the mails, it must have not less than

one full rate in postage stamps affixed.
